

**The 13rd International Conference on Wireless Algorithms,
Systems, and Applications (WASA 2018)
Tianjin, China**

June 20 - June 22, 2018

<http://wasa-conference.org/WASA2018>

SPECIAL ISSUES:

WASA has recently been added to the list of recommended journals and conferences by China Computer Federation (CCF)

SCOPE

WASA is designed to be a forum for theoreticians, system and application designers, protocol developers and practitioners to discuss and express their views on the current trends, challenges, and state-of-the-art solutions related to various issues in wireless networks. Topics of interests include, but not limited to, effective and efficient state-of-the-art algorithm design and analysis, reliable and secure system development and implementations, experimental study and testbed validation, and new application exploration in wireless networks.

PAPER SUBMISSION

Please submit extended abstracts (up to 12 pages in Springer LNCS format) via the online submission system (<https://easychair.org/conferences/?conf=wasa2018>). Submission implies willingness of at least one author to register and present at the symposium. The authors should choose one of the following tracks:

IMPORTANT DATES

Submission Deadline:	March 5, 2018
Notification:	April 5, 2018
Camera-Ready Submission Date:	April 10, 2018

SPECIAL ISSUES:

Extended versions of most papers from the conference will be published in special issues of

- International Journal of Distributed Sensor Networks
- Tsinghua Science and Technology
- EURASIP Journal on Wireless Communications and Networking*
- Wireless Communications and Mobile Computing*
- KSII Transactions on Internet and Information Systems*
- IEEE Access*

Multidisciplinary | Rapid Review | Open Access Journal
